The Seven Mindsets

Empathize with Your User

"I found that everyone experiences stress and we all experience stress in different ways" -Federica
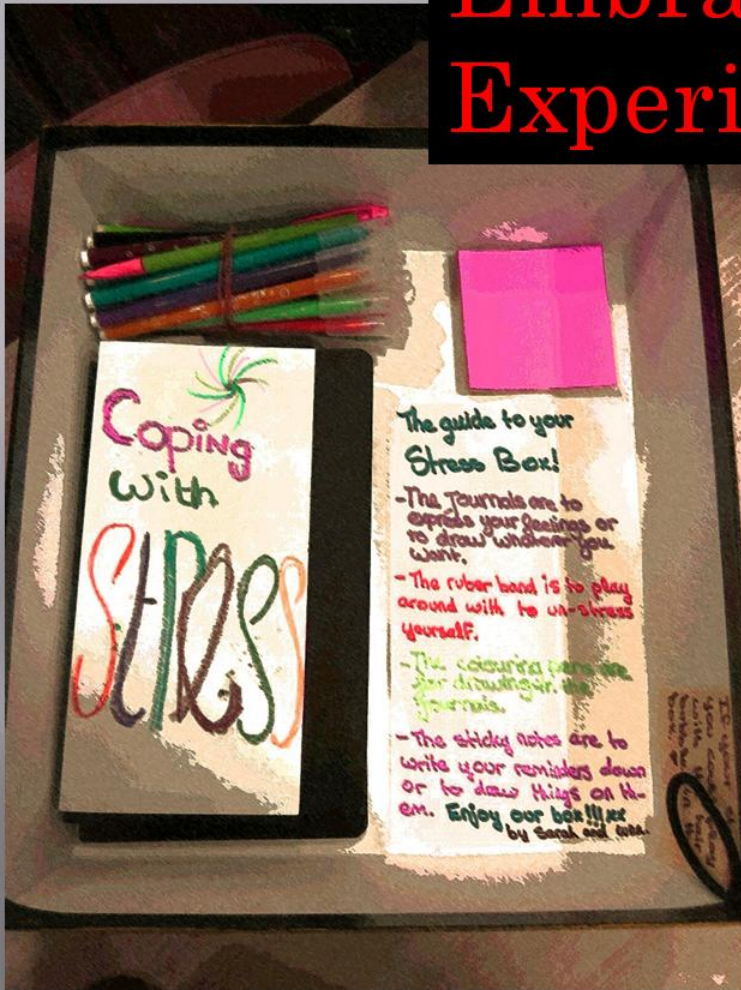

Define the problem to promote brainstorming.

It helps to talk to each other and not worry about a negative response.
-Sarah

Prototype the Idea

Embrace Experimentation

Show Don't Tell

Be Mindful of the Process

"How can we carry through on our ideas with so many interruptions to our Homeroom period?"

Anthony

Bias Toward Action

"We had so many ideas that it was hard to choose!"

Gianluca

Radical Collaboration

Teachers' Comments:

- "This was a structured, thorough project that allowed for creativity."
- Mrs. Parks-Math Teacher

- "We have linked to several areas and people within the school through the process."
- Miss Last-English Teacher
